Stealth Fighter Association Mission Statement

The Stealth Fighter Association is an affiliation of individuals brought together by the common bond of association with the world's first stealth fighter; the Lockheed Martin F-117, produced by the Lockheed Martin Skunk Works for the United States Air Force. Our mission is to preserve the memory of our struggles to attain a stealth combat capability second to none, maintain the legacy of the F-117 "Nighthawk", maintain the bonds of brother and sisterhood between those who contributed to make the awesome combat capability of stealth a reality, and act as a governing board to oversee the planning and execution of periodic reunions at either the five or ten year periods.

Association Dues are used to support the following:
